WHAT WAS YOUR FAVORITE ASPECT OF BEST RESTAURANTS?*

Mingling with other guests, met new people enjoying themselves and the event. And of course, the restaurants!

Opportunity to try lots of restaurants. Nice to have the shuttle. Great location.

The menu!

High quality food and plenty of it!

Variety of tasting experiences, delicious food, pleasant servers.

I liked that you did not have to wait in line at the food tables. The VIP opportunity was well worth it.

Good food options.

THANK YOU

TO OUR PARTNERS AND SPONSORS FOR MAKING THIS EVENT A HUGE SUCCESS.
